

Stay Informed with Hawaii State FCU Mobile App Notifications

We've upgraded the notifications feature in our HSFCU Mobile App¹! You'll now be able to receive important notices, offers and more directly to your smartphone. Stay informed about fraud alerts, branch closures, new products, events, and exclusive member benefits.

How to Enable Push Notifications

You will need to download the latest version of the HSFCU Mobile App to enable our upgraded notifications. Upon first login, you will receive a prompt to allow push notifications.

To manually enable or manage your notification preferences:

- **iPhone:** Go to **Settings**, scroll down and select **Notifications**. Locate and select the **HSFCU Mobile App**. Toggle to allow or disable notifications based on your preferences.
- **Android:** Locate the **HSFCU Mobile App**, then hold the icon down until the menu pops up. Tap the **"i" icon** in the top right corner. Check that Notification permissions are allowed, then tap on **Notifications**. Toggle to allow or disable notifications based on your preferences.
